

LAKE CHATUGE

There will be a Northeast Georgia & Western North Carolina Regional meeting in the Anderson Music Hall, Georgia Mountain Fairgrounds, Hiawassee, GA, Monday, July 10th, 2017, 5:30 p.m. This is an incredibly unique opportunity to collaborate with Dailey & Vincent LandFest and The Dailey & Vincent TV Show on RFD TV to tape an entire year of national TV, filmed in our area.

The opportunity is to feature Northeast Georgia and Western North Carolina; local businesses, tourist attractions, scenic environments, and history in the taping of Season 3 & 4 of *The Dailey & Vincent TV Show on RFD TV* (consisting of 26 brand new episodes). The TV Show is full of music, humor, family, and fun. This will be taped during the Dailey & Vincent LandFest, September 14-16, 2017 at the Georgia Mountain Fairgrounds and aired weekly on RFD TV for the entire 2018 calendar year. RFD TV is available in over 51 million households in the USA and The Dailey & Vincent TV Show is one of the top 3 programs on the network (consisting of over 100 programs) with approximately 1.3 million monthly viewers tuning in to watch the show. Each episode will feature different parts of our area: local scenery, local businesses, local stories, etc. This opportunity will have a tremendous economic impact, drive national tourism, and provide wonderful exposure for the Northeast Georgia Mountains and Western North Carolina.

Application was made for the Georgia film tax credit; however, this project does not meet their qualifications. As a production, The Dailey & Vincent Show on RFD TV is entirely underwritten by sponsorship and partnership funding. The surrounding counties in the Northeast Georgia and Western North Carolina will benefit from being featured in the commercials, once a week for 52 weeks.
